### WRCT-500BL3-SINGLE

DECK mounted 1/2" Single Basin Tap with 3-inch Lever.

Single Hole. Single Water Feed. One Control.  
Tap hole Ø 25mm.  
Recommended working pressure: 1 - 3 bar.  
Flow rate: 12.50lpm testes @ 3 bar pressure.

- WRAS Approved.
- Features "PosiStop™" built in stopping device, which is standard on all 3-inch lever options in the CaterTap range. Developed to help prevent the tap from being turned too far and breaking the valve.
- Manufactured to British Standards.
- High-grade chrome-finished.
- Robust commercial tap.
- Fitted with quarter-turn valves for easy operation.
- Low maintenance and long lasting.
- Backed by Mechline's standard 1 year warranty.

#### MAINTENANCE & CLEANING

**Cleaning chrome:** Do not use abrasive, chlorine or acid-based cleaning products. Avoid contact with concentrated bleach. Clean with soapy water using a cloth or sponge.

*\*The Mechline Water Drop Ratings are for general advice purposes only. Buyers & users must satisfy themselves as to the ultimate suitability and safety of the products and their particular purposes & duties.*

Dimensions are in millimeters. Note: If a CAD file is required please contact our Technical Helpdesk.
