FEATURES & BENEFITS

- WRAS approved across the whole range.
- Curved design ideal for commercial kitchens.
- No sharp corners for kitchen staff to knock into.
- Easy to clean integral flush grated waste reduces the risk of bacterial development.
- Auto shut-off valve drastically reducing water usage
- Bowl and deck are permanently bonded to the skirt removing the need for exposed bolts and rivets.
- High strength injection moulded skirt removes the possibility of cut hazards created by sharp stainless steel edge.
- Mounting bracket with integral spirit level for fast and easy installation.
- Optional waste bins can be fitted to all models.
- Stylish, functional design.
