

MODEL:

BaSix WS1-W-BUB

BASIX

Drinks Station – wall mounted, complete with WS1 White polyethylene (HDPE) basin & bubbler tap (includes tap hole stopper)

Accreditation: WRAS

Basin Range: Drinks Station

Connection(s): Connections: 1/2-inch BSP external thread and 1/4-inch BSP internal thread

Controls: Soft-touch

FEATURES & BENEFITS

- WRAS approved
- Enables businesses to join the national drinking water scheme by offering easily accessible drinking water for staff, customers and the public
- Stylish, curved design. Ideal for public and staff areas, kitchens, changing/wash rooms
- Soft-touch press buttons with built in auto shut-off valve require no user effort
- Depth of bowl reduces splashback and protects the floor from hazardous spills
- Overall design function encourages reuse and recycling of drinks containers, helping to protect the environment
- Chrome-plated water bubbler is robust, corrosion resistant and easy to clean
- Adjustable flow screws allow the flow rates to be quickly and easily modified (using an Allen key)
- EPDM rubber o-rings
- Double filter, to ensure users a thick and uniform water flow, to increase hygienic use and convenience
- Supplied with flexible connection hose - 10mm bore, 150mm length, 1/2-inch F x 15mm compression fittings
- SaniTru™ antimicrobial additive embedded in the basin material resists mould, mildew & grime to provide a cleaner surface
- Optional high grade polycarbonate ABS plastic splashback available
