MODEL: **BaSix WS1-W-WBF**

BASIX

Drinks Station – wall mounted, complete with WS1 White polyethylene (HDPE) basin & bottle filler (includes tap hole stopper)

Accreditation: WRAS
Basin Range: Drinks Station
Connection(s): Connections: □-inch BSP external thread and ¼-inch BSP internal thread
Controls: Soft-touch

FEATURES & BENEFITS

- WRAS approved
- Enables businesses to join the national drinking water scheme by offering easily accessible drinking water for staff, customers and the public
- Stylish, curved design. Ideal for public and staff areas, kitchens, changing/wash rooms
- Soft-touch press buttons with built in auto shut-off valve require no user effort
- Tall swan neck bottle filler and deep bowl accommodates large water bottles
- Depth of bowl reduces splashback and protects the floor from hazardous spills
- Overall design function encourages reuse and recycling of drinks containers, helping to protect the environment
- Chrome-plated water bottle filler is robust, corrosion resistant and easy to clean
- Adjustable flow screws allow the flow rates to be quickly and easily modified (using an Allen key)
- EPDM rubber o-rings
- Double filter, to ensure users a thick and uniform water flow, to increase hygienic use and convenience
- Supplied with flexible connection hose - 10mm bore, 150mm length, □-inch F x 15mm compression fittings
- Optional high grade polycarbonate ABS plastic splashback available
