

MODEL:

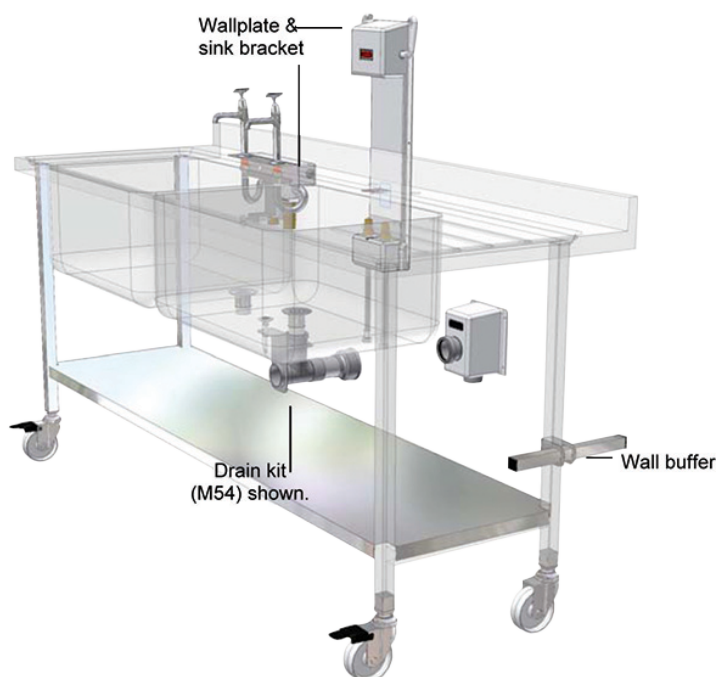

QuickLink S4-QUICKLINK-S

QUICKLINK

QuickLink S Base pack for single & double sinks

FEATURES & BENEFITS

- Includes wallplate (1x), sink bracket (1x) and wall buffers (2x)
- Safely & quickly disconnect from services allowing easy access behind normally fixed equipment where food spillage, dirt & debris build up; creating places where bacteria & fungus can grow
- Cut costs - reduced need for external cleaning contractors
- Servicing & maintaining equipment is easy - reduced labour
- Create more useable space and total access to all areas
